

## **CEM-REL Colour Release**

### COLOUR RELEASE FOR DECORATIVE CONCRETE

#### **Description**

CEM-REL Colour Release is a ready to use powder formulated to be easily applied to the surface of colored or plain concrete. CEM-REL Colour Release is sprinkled over the surface of freshly placed concrete, before imprinting with stamping pads. It forms a barrier that prevents the pads from sticking to the fresh concrete. During this process a portion of colour release becomes embedded in the surface where it is trapped by the hardening concrete. When the surface is subsequently washed and sealed an attractive antique surface is achieved.

#### **Areas of Application**

- Lobbies.
- Restaurants.
- Showrooms.
- Play areas.
- Walkways.
- Footpaths.
- Deck areas.

#### **Features & Benefits**

- Easy application.
- Prevents concrete from sticking to the stamping tools.
- Moisture resistant.
- Stain free and non-fading.
- The release agents have maximum UV resistance.

#### **Method of Application**

##### **1 Surface Preparation**

- Once the concrete has been laid into the panels, level the surface with a surface vibrator.

##### **2 Application**

- CEM-REL Colour Release agent is specially formulated to be used with stamped concrete. It should be ideally used with CEM-TOP Colour Hardener and CEM-SEAL top coat.
- Before the stamping work, CEM-REL Colour Release is sprinkled evenly on the surface.
- After the concrete has set and cured for at least 3 days the release agent may be removed by pressure jet washer with high power pressure.

#### **Precautions & Limitations**

- CEM-REL Colour Release should not be used as the primary colouring agent.
- CEM-REL Colour Release should be used as the secondary colour to give antique effect to the colour hardener.
- 

#### **Available Colours**

- CEM-REL Colour Release agent is available in 27 standard colours shown on Cementric colour chart.
- We can provide custom colours but minimum quantity requirements may apply.

## **CEM-REL Colour Release**

COLOUR RELEASE FOR DECORATIVE CONCRETE
